Your Pet is *IMPORTANT* to Us!

I understand that coloring products do not have the same results on all coats and may be different than expected in shade and vibrancy. Depending on the type of product used, the color may slowly fade over time or can only be removed by cutting the dyed fur. I have discussed with my groomer the permanency of the product that will be used on my pet.

I also understand that color transfer may occur from my pet to other surfaces, such as clothing or furniture. **Only pet safe products will be used**, but I am aware that any pet can have a reaction to a product and therefore a small patch test will be done prior to coloring.

I hereby grant permission to this grooming establishment to use pet safe coloring products on my pet and agree not to hold them liable should an allergic reaction happen. And in the event of a medical emergency, I authorize this establishment to obtain emergency veterinary treatment for my pet at my expense.
